BLUE ZEBRA
WORKSHOPS

Art in English
École Saint-Pierre de Chaillot 2026 -2027

ENGLISH

In this creative workshop, children will learn and explore different artistic techniques and give free rein to their imagination. During the year, they will successively discover ink on paper, textile art, collage and paper folding, gouache and color mixtures, 3D Up-cycling projects and much more!

🌈🎨🖌️ **Inks & Gouache:** Through an introduction to color theory, children will discover the techniques of ink and gouache. They will learn to create their own **color palettes** to create **portraits, landscapes or abstract creations!**

🧶🪡🧵 **Textile Art:** Children will learn to build a simple **loom**. They will understand the difference between warp and weft and will be able to make their own yarn from colored scraps. They will also cover knot work to make **bracelets** and macramé aswell and the techniques to make **pompoms**! They will learn to **sew and embroider** simple elements to make unique projects!

✂️🖍️🐟 **Collage and DIY:** From recycling everyday objects, children will make two-dimensional and three-dimensional creations like **mobiles and dream catchers**. They will also be learning the **origami** folding technique and using it in their creations!

🗿🎎🎨 **SaltDough and other 3D sculptural techniques:** From the making of modelling clays and doughs and the shaping of coils, your children will learn the basics of modelling. They will be able to create **decorative objects** as well as small **decorative sculptures** in **salt-dough and papier mâché,** that will be painted and personalised!
