Drama Club *2026/27*
St Pierre de Chaillot School

A workshop to dare to speak, discover oneself and imagine together !

Childhood is a precious time to learn how to express oneself, listen to others and build self-confidence.
Drama offers children a unique space that is both playful, creative and supportive. Through theatre, they play, invent and tell stories, but above all, they learn to express themselves through their bodies, their voices and their imagination.
Each session is an adventure where children discover that speaking can be a game, a strength and a source of shared enjoyment. Together, they learn to be themselves with confidence, to create collectively and to find their place within a group.

At the end of the year: a joyful and informal performance !

The workshops will culminate in a short presentation for families in a warm and encouraging atmosphere. The aim is not to achieve a perfect "performance", but rather to enjoy playing together and to share the outcome of a creative journey.

The end-of-year performance is compulsory, and every child enrolled in the workshop is expected to attend the June performance.
